# REPORT.

.....

THE Managers have pleasure in presenting their Report for the year 1933-34. The financial position of the Hospital, as disclosed by the Balance Sheet, may be regarded as satisfactory, but the Committee anticipate a heavy expenditure during the coming year owing to replacements and renovations.

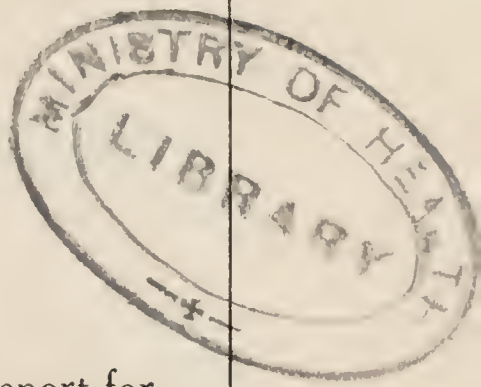

The work done by the Hospital has been well maintained. The number of In-patients is slightly less at 106, but the average stay has been longer at 16 days. 34 major operations were performed and 70 minor ones. The general result has been:—cured 91, transferred 3, died 4, and 8 remain undischarged. The number of out patients shews an increase at 201. They paid 989 visits and there were 79 minor operations.

In the District there have been 12 maternity cases, 308 District cases, and 2,654 visits paid.

Apart from personal subscriptions, the chief contributions to the total of £593 12s. 2d. came from : the Rummage Sale £71 2s. 6d., the British Legion Carnival £50, Hospital Sunday Committee £45 17s. 6d., and the Welshampton Dance £27 10s. A series of Whist Drives organised by the Ellesmere Women's Institute realised £21 11s. 1d., and a Scouts' Concert £15. Other gifts will be mentioned at the Annual Meeting.

Particular mention must be made of a Dance organised by Dr. Casper and his medical colleagues at Overton. This realised the splendid amount of £81 13s. 5d. This amount has been allocated to provide further medical services for the Hospital.

The Managers desire to express their thanks to the Medical Officers, Matron and Staff for their unremitting attention to and care for the patients during the year.

## OBJECT AND MANAGEMENT.

The object of the Hospital, as laid down in the Trust deed (1907) is the treatment "at a low rate of payment" (each case to be considered "on its merits") of sick or injured persons of the "working classes" resident within a radius of five miles from the building, but not excluding any other persons injured by sudden accident within this area.

The Managers include:—

- (a) The nine nominated or co-opted Trustees, of whom three represent the Subscribers, three the "Workmen," and three the Founder.
- (b) Nine elected persons, of whom six represent the Subscribers, and three the "Workmen," and are to be chosen respectively by these classes. At least three Managers must be women.

The Charge for a Private Ward shall be £4 4s. a week, excluding theatre charge (£1 1s.), dressings, special nurse or any extras required or ordered by the Doctor.

5. Doctors shall be allowed to charge for attendance for any patients, but in cases where the Managers decide to charge less than three shillings a day the Doctor's charge, if any, shall not exceed ten per cent. of the Hospital bill.

9. Except by special permission of the Matron, smoking is allowed only from 8 to 9 a.m. ; 1 to 2 p.m. and 6 to 8 p.m.

10. The Managers will not be responsible for any funeral expenses.

11. Certain appliances may be hired on application to the Matron, otherwise no articles, the property of the Hospital, shall be removed from the premises.

12. The name of the Hospital shall not be used in connection with any public entertainment except with the written consent of the Managers.

6. The Nurse must not attend any infectious cases.

7. The Nurse is entitled to three weeks holiday in the year.
